**ORDER APPROVING SETTLEMENT AGREEMENT BETWEEN THE TRUSTEE AND
THE TRAVELERS INDEMNITY COMPANY**

Upon the motion (the "Motion")¹ of Frances Gecker (the "Trustee"), not individually, but as the Chapter 11 Trustee for Automotive Professionals, inc. ("API," or the "Debtor"), seeking the entry of an order, pursuant to 11 U.S.C. §§ 105, 363(f), 363(h), 363(m) and 542 and Rules 6004 and 9019 of the Federal Rules of Bankruptcy Procedure, approving the Settlement, Release and Policy Buyback Agreement (the "Settlement Agreement," a copy of which is attached hereto as Exhibit A) with The Travelers Indemnity Company ("Travelers," and together with the Trustee, the "Parties"); and the Court having reviewed the Motion and determined that the relief requested in the Motion is in the best interests of the Debtor's estate, its creditors, and other parties-in-interest; and upon the record herein; and after due deliberation thereon; and good and sufficient cause appearing therefore, for the reasons stated on the record in open court, it hereby is FOUND AND CONCLUDED THAT:

JURISDICTION, FINAL ORDER AND STATUTORY PREDICATES

1. The findings and conclusions of law set forth herein constitute the findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding

¹ Unless specified otherwise, all capitalized terms herein shall have the meanings ascribed to them in the Settlement Agreement.

pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law or any of the following conclusions of law constitute findings of fact, they are adopted as such.

2. This Court has jurisdiction over the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This contested matter is a core proceeding pursuant to 28 U.S.C. §§ 157(b)(2)(A), (N), and (O). Venue of the Debtor's bankruptcy case and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

3. This Order constitutes a final and immediately appealable order within the meaning of 28 U.S.C. § 158(a).

4. The statutory predicates for the relief requested in the Motion are 11 U.S.C. §§ 105, 363(f), 363(h), 363(m) and 542 and Rules 6004 and 9019 of the Federal Rules of Bankruptcy Procedure. This Court has authority to approve the Motion, to approve the Agreement, and to issue the permanent injunctive relief pursuant to section 105(a) of the Bankruptcy Code.

RETENTION OF JURISDICTION

5. It is necessary and appropriate for this Court to retain jurisdiction to, among other things, enforce the terms and provisions of this Order and the Settlement Agreement, and to adjudicate, if necessary, any and all disputes between the Trustee and Travelers and other persons arising under or relating in any way to, or affecting, any of the transactions contemplated under the Agreement. Such jurisdiction shall be retained even if the case is closed, and the case may be reopened for such purpose.

NOTICE OF THE MOTION

6. The Trustee has provided due and adequate notice of the Motion, the hearing on the Motion, the Agreement and the subject matter thereof to all parties-in-interest pursuant to Bankruptcy Rules 2002 and 6004. Notice with respect to the Motion and the relief requested therein has been afforded to: (1) all parties who have requested to receive notice in the Bankruptcy Case; (2) all consumers who bought GPRs when they separately purchased VSCs backed by the Policies, which GPRs were still in force as of June 30, 2007; (3) all Dealers; and (4) by publication in The Wall Street Journal, National Edition.

7. The foregoing notice is good, adequate and sufficient and is the best notice practicable under the circumstances of the Debtor's bankruptcy case and constitutes due, sufficient, adequate and timely notice to all persons entitled thereto in accordance with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the applicable Local Rules of this Court, and of the procedural due process requirements of the United States Constitution. Notice of the relief requested by the Motion has been provided by means reasonably calculated to reach all interested parties and reasonably convey all the required information to inform all those persons affected by this Order, and a reasonable time for a response and an opportunity to object to the relief requested was afforded to all such persons. No other or further notice of the Motion or of this Order is necessary.

**SATISFACTION OF BANKRUPTCY RULE 6004 AND 9019 AND
SECTIONS 105(A) AND 363 OF THE BANKRUPTCY CODE**

8. The transactions contemplated by the Motion and the Agreement are in compliance with, and satisfy the requirements for approval of a settlement or compromise

pursuant to, Bankruptcy Rules 6004 and 9019 and all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363 and 542 of the Bankruptcy Code.

9. The sale, assignment and transfer of the Policies to Travelers is in good faith and satisfies the requirements of section 363(m) of the Bankruptcy Code in that the sale was the result of an arm's-length transaction for value.

10. The Policies may be sold, assigned and transferred to Travelers free and clear of the interests of the Dealers and the Travelers-Backed Consumers, if any, pursuant to the provisions of section 363(f) of the Bankruptcy Code, because: (a) such interests are in *bona fide* dispute; (b) the holders of such interests could be compelled in a legal or equitable proceeding to accept a money satisfaction of such interests, and (c) any party claiming an interest in the Policies that fails to object to the Policy Buyback is deemed to have consented to the sale.

11. Under section 363(h) of the Bankruptcy Code, the Trustee may sell the interests of the Debtor's estate, the Dealers, the Travelers-Backed Consumers and all other parties-in-interest in the Policies because: (a) partition of the Policies is impracticable; (b) sale of the Debtor's estate's undivided interest in the Policies would realize significantly less for the estate than would the sale of the Policies free of the interest of the Dealers, the Travelers-Backed Consumers, and all other parties claiming an interest in the Policies; (c) the benefit to the Debtor's estate of a sale of the Policies free of the interests of the Dealers, the Travelers-Backed Consumers, and all other parties claiming an interest in the Policies outweighs the detriment, if any, to them.

12. The sale of the Policies free and clear of any right, title or interest, including any right of direct action against Travelers, is permitted under sections 363(f) and (h) of the Bankruptcy Code.

13. The Agreement is fair and equitable, in the best interests of the Debtor's estate and its creditors after consideration of (a) the probability of success in any litigation involving the Policies, with due consideration for the uncertainty in fact and law; (b) the complexity and likely duration of any such litigation and any attendant expense, inconvenience and delay; (c) the paramount interest of creditors; and (d) the arm's-length nature of the Agreement.

GOOD FAITH OF PURCHASER

14. The sale of the Policies and the settlement, as incorporated in the Agreement, is a fair, reasonable and equitable compromise and settlement of the claims being released. The settlement represents the results of arm's-length negotiations between the Parties, and has been reached in good faith and, when consummated in accordance with this Order, will have been consummated in good faith. The compromise contained in the Agreement is a valid and proper exercise of the Trustee's sound business judgment.

15. The Agreement was negotiated and proposed, and has been entered into by the Parties, in good faith, from arm's-length bargaining positions. Each Party to the Agreement was represented by independent and experienced counsel of their own choice during the negotiations. The sale consideration to be realized by the Debtor's estate pursuant to the Agreement is fair, reasonable and adequate. Neither of the Parties has engaged in any conduct that would (a) cause or permit the Agreement, or the sale of the Policies contemplated therein, to be avoided under section 363(n) of the Bankruptcy Code, (b) cause or permit any amounts, costs, attorneys' fees,

expenses, or punitive damages to be recovered under section 363(n) of the Bankruptcy Code, or (c) prevent the application of section 363(m) of the Bankruptcy Code.

SUPPLEMENTAL INJUNCTION

16. The sale of the Policies to Travelers free and clear of any interest, and the payment to the Trustee of the Alleged Back-Charges and funds in the CCR Account, are permitted pursuant to sections 105, 363 and 542 of the Bankruptcy Code. Moreover, pursuant to section 105(a) of the Bankruptcy Code, the entry of an injunction permanently enjoining the prosecution, continuation or commencement of any claim that may be asserted against Travelers by all Dealers, the Travelers-Backed Consumers and all other parties-in-interest who were served with notice of the Motion, arising out of, connected with, and/or in any way relating to, the Policies or the Travelers-Related Reserve Accounts, and enjoining any parties-in-interest who were served with notice of the Motion, from asserting any GPR claims against the Travelers Parties, is proper. The Parties have agreed that the Injunction is a necessary prerequisite for their agreeing to the terms and conditions of the Agreement, and Travelers will not consummate the purchase of the Policies in the absence of such a supplemental injunction from this Court. The Injunction and releases provided for in the Agreement and set forth in this Order are necessary and appropriate to effect the settlement and the free and clear sale of the Policies and to avoid irreparable harm for which the Debtor's estate would have no adequate remedy at law.

17. In light of the terms of the Agreement, it is reasonable and appropriate for the Trustee to provide the releases set forth in the Agreement.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

18. The Motion is granted.

19. The Agreement is approved and the consummation of the Agreement is approved.

20. The terms of the Agreement and this order shall be binding upon all creditors of API and any parties-in-interest, and each of their successors and assigns. The Trustee is authorized to enter into the Agreement and, pursuant to sections 363(b) and 363(f) of the Bankruptcy Code, to sell, transfer and convey to Travelers, free and clear of any and all Interests, in accordance with the terms, and subject only to the conditions specified, herein and in the Agreement. The Trustee is hereby authorized to take any and all actions, and prepare, execute and file any and all documents necessary and appropriate, to effect and implement the terms of the Agreement without further order of this Court. The Agreement and this order constitute valid and binding obligations of the Debtor's estate and of the Trustee, not individually, but as Chapter 11 trustee of the Debtor's estate, and shall be enforceable in accordance with the terms thereof.

21. Pursuant to section 105 in conjunction with sections 363 and 542 of the Bankruptcy Code, all Dealers, the Travelers-Backed Consumers and all parties-in-interest who were served with notice of the Motion are permanently enjoined from the prosecution, continuation or commencement of any claim against the Travelers Parties, arising out of, connected with, and/or in any way relating to, the Policies or the Travelers-Related Reserve Accounts, and all parties-in-interest who were served with notice of the motion, are enjoined from asserting any GPR Claims against the Travelers Parties.

22. The sale, assignment and transfer of the Policies to Travelers is in good faith and satisfies the requirements of section 363(m) of the Bankruptcy Code in that the sale is the result of an arm's-length transaction for value.

23. The Policies are being sold, assigned, or transferred to Travelers free and clear of the interests of the Dealers and the Travelers-Backed Consumers, if any, pursuant to the provisions of section 363(f) of the Bankruptcy Code, because: (a) such interests are in *bona fide* dispute; and (b) the holders of such interests could be compelled in a legal or equitable proceeding to accept a money satisfaction of such interests; and (c) any party claiming an interest in the Policies that fails to object to the Policy Buyback is deemed to have consented to the sale.

24. The Trustee may sell the interests of the Debtor's estate, the Dealers, the Travelers-Backed Consumers and all other parties-in-interest in the Policies under section 363(h) of the Bankruptcy Code because: (a) partition of the Policies is impracticable; (b) the sale of the Debtor's estate's undivided interest in the Policies would realize significantly less for the Debtor's estate than would the sale of the Policies free of the interests of the Dealers, the Travelers-Backed Consumers, and all other parties claiming an interest in the Policies; (c) the benefit to the Debtor's estate of a sale of the Policies free of the interests of the Dealers, the Travelers-Backed Consumers, and all other parties claiming an interest in the Policies outweighs the detriment, if any, to them.

25. The releases set forth in paragraphs 7 and 8 of the Agreement are hereby specifically approved and incorporated by reference in this Order. Without limiting the generality of the foregoing, pursuant to Bankruptcy Rule 9019, the settlement and release of any and all claims related to, arising out of, and/or in connection, with the Policies, as set forth in the Agreement, is hereby approved.

26. The Agreement is fair and equitable, in the best interests of the Debtor's estate and its creditors after consideration of (a) the probability of success in any litigation involving

the Policies, with due consideration for the uncertainty in fact and law; (b) the complexity and likely duration of any such litigation and any attendant expense, inconvenience and delay; (c) the paramount interest of creditors; and (d) the arm's-length nature of the Agreement.

27. The Trustee is hereby authorized to take all steps necessary to effectuate the transfers (the "Settlement Transfers") of all funds held in the Travelers Related Reserve Accounts and CCR Account at JPMorgan Prime Money Market Fund ("JPM Fund") and in the Travelers-Related Reserve Accounts at S&T Bank to an operating account of Frances Gecker, as chapter 11 Trustee for API, at Bank of America N.A. The Settlement Transfers may be accomplished, to the extent necessary or practicable, by a series of transfers (the "Interim Transfers") as the Trustee sees fit in her sole reasonable discretion.

28. Pursuant to the Trustee's representation that BPI has agreed to cooperate with the Trustee in effectuating the Settlement Transfers, BPI, as Escrow Trustee and/or owner of the Travelers-Related Reserve Accounts, the CCR Account and any other account used to effectuate the Settlement Transfers, is hereby ordered to direct JPM Fund, JPMorgan Chase Banking, N.A. ("Chase") and S&T Bank to redeem the balances in the Travelers-Related Reserve Accounts and in the CCR Account, and to take such further action as is reasonably required to effectuate the Interim Transfers and Settlement Transfers.

29. JPM Fund, Chase and S&T Bank are each hereby directed to effectuate the Interim Transfers and Settlement Transfers, as soon as practicable after they receive the direction from BPI and the Trustee, but not later than five days after this order becomes final and non-appealable, subject to reasonable allowance for ordinary and extraordinary operations and systems errors or problems of JPM Fund, Chase, and S&T Bank in effectuating such transfers, but

in any event within any time limit imposed by applicable law. In effectuating such transfers, JPM Fund, Chase, and S&T Bank are each respectively authorized to follow the directions of the Trustee, consistent with this Order. Nothing herein shall affect any recoupment or setoff rights JPM Fund or Chase may have against API, if any, which are not waived but hereby preserved.

30. The Trustee is hereby authorized and directed to pay \$4,850,000 to Travelers in accordance with the provisions of paragraph 3 of the Agreement; provided that, notwithstanding the timing provisions of paragraph 3 of the Agreement, the Trustee's obligation to make such payment to Travelers is conditioned on, and subject to, the Trustee's receipt of the Settlement Transfers.

31. Upon receipt of an executed release from a Dealer, as required in paragraph 3 of the Agreement, the Trustee shall remit to such Dealer the amount listed for such dealer on Exhibit B attached hereto, under the column "Net to Dealer."

32. This Order shall be effective and enforceable immediately upon entry and its provisions shall be self-executing and shall not be stayed under Bankruptcy Rule 6004(g). The provisions of this Order are nonseverable and mutually dependent.

33. This Court shall retain jurisdiction to enforce the terms and provisions of this Order and the Agreement, and to resolve any disputes between the Trustee, Travelers or any other person arising from or relating to this Order or the Agreement.

United States Bankruptcy Judge

EXHIBIT A

**SETTLEMENT, RELEASE
AND POLICY BUYBACK AGREEMENT**

This Settlement, Release and Policy Buyback Agreement (the "Agreement") is entered into as of October __, 2007 by and between The Travelers Indemnity Company ("Travelers" or "Buyer") and Frances Gecker, solely in her capacity as Chapter 11 Trustee of Automotive Professionals, Inc. (the "Trustee" or "Seller"), (collectively, the "Parties") who hereby covenant and agree as follows:

BACKGROUND

Trustee and Travelers, based on information that they have received to date, believe that the following paragraphs describe the relationship of Automotive Professionals, Inc. ("API") with Travelers in connection with API's vehicle service contracts business:

A. API filed a petition for relief under Chapter 11 of the Bankruptcy Code on April 13, 2007 in the United States Bankruptcy Court for the Northern District of Illinois (the "Bankruptcy Court" or "Court"), Case No. 07-06720 (the "Bankruptcy Case");

B. API was in the business of servicing and marketing, directly or through Dealers, vehicle service contracts to consumers ("VSCs"), which pay for the cost of automobile repairs for a fixed period of time after the expiration of the original manufacturer's warranty;

C. On June 6, 2007, the Court ordered the appointment of a Chapter 11 trustee for API;

D. The Office of the United States Trustee selected the Trustee to serve as trustee, and on June 12, 2007, the Bankruptcy Court confirmed appointment of the Trustee, as chapter 11 Trustee for API;

E. API marketed and sold two forms of VSCs. VSCs were written as dealer/obligor

("D/O") or administrator/obligor ("A/O"). Under the D/O form, the Dealer contracted with the consumer and was obligated during the term of the VSC for the costs of valid covered repair claims. API under the D/O form processed and serviced the VSC on behalf of the Dealers. Under the A/O form of the VSC, API contracted with the consumer and API was obligated during the term of the VSC for the costs of valid covered repair claims.

F. In connection with the sale of such VSCs, under both contract forms, a formulaic percentage of the consumer's purchase price was placed into a primary loss reserve fund (the "Travelers-Related Reserve Account" or collectively, the "Travelers-Related Reserve Accounts") in the name of the individual Dealer for the purpose of paying future valid covered repair costs and certain cancellation charges;

G. Travelers issued certain insurance policies to the Dealers and/or API (the policies issued to the Dealers or to API, together with all amendments and endorsements thereto, including the Endorsement (as hereinafter defined), are hereinafter referred to as the "Policies") whereby Travelers agreed to pay for valid covered repair claims and certain cancellation charges covered under VSCs to the extent that those valid covered repair claims and certain cancellation charges exceeded the Travelers Related-Reserve Account associated with a Dealer who sold that VSC (the "Excess Coverage");

H. Under this Excess Coverage mechanism, if/when a segregated Travelers-Related Reserve Account for a particular Dealer was exhausted through payment of valid covered repair claims and certain cancellation charges, Travelers became obligated to pay the valid covered repair claims and certain cancellation charges on VSCs sold through that Dealer from Travelers' own funds, even if Travelers-Related Reserve Accounts for other Dealers contained an excess amount of funds;

I. Travelers, in addition to providing Excess Coverage to API, issued an Endorsement to the policies (the "Endorsement") wherein Travelers was required to "drop down" and pay from dollar-one, the valid covered repair claims and certain cancellation charges that went unpaid for 60 days or more ("Drop Down Coverage");

J. As of July 31, 2007, the total aggregate amount held in all Travelers Related-Reserve Accounts relating to VSCs backed by the Policies was \$19,603,877.21, which amount continues to accrue interest;

K. API began offering a separate Guaranteed Price Refund option ("GPR") where for an added cost, API or the relevant Dealer guaranteed consumers a refund of their VSC purchase price if the VSC ran for its full term and the consumer did not submit a claim for benefits under the VSC;

L. Travelers specifically declined to be involved in any manner in the GPR program when API decided to offer that program, and, thus, Travelers' obligations extend only to valid covered repair claims and certain cancellation charges under VSCs;

M. On February 15, 2007, API executed an assignment for the benefit of creditors, with Michael Kayman, as assignee (the "Assignment");

N. On March 2, 2007, the People of the State of Illinois, *ex rel.* Michael T. McRaith, Director of Insurance of the State of Illinois in the Circuit Court of Cook County, Chancery Division, in Case No. 07 CH 05829 obtained an *ex parte* Order of Conservation of API (the "Conservation Order");

O. Because of API's Assignment and subsequent Conservation Order, claims arising under these VSCs were not being administered nor were payments being made out of the

Travelers-Related Reserve Accounts for valid covered repair claims;

P. Pursuant to the Endorsement, Travelers has commenced processing and paying the valid covered repair claims and certain cancellation charges under VSC that were neglected;

Q. Travelers asserts that to the extent that it provides Drop Down Coverage pursuant to the Endorsement, it is entitled access to or full reimbursement from, up to the amount held in Travelers-Related Reserve for each particular Dealer, for valid covered repair claims paid under VSCs (the "Travelers In-Reserve Repair Claims") and for certain cancellation charges relating to such VSC payable from the Travelers-Related Reserve Account (the "Travelers In-Reserve Cancellation Charges" and together with the "Travelers In-Reserve Repair Claims," the "Travelers In-Reserve Claims");

R. API and Travelers were parties to Contingent Claim Reserve and Administration Escrow Contracts ("CCR Contracts") wherein it was agreed that in the event API ceased to administer claims under VSCs, Travelers would be reimbursed from a specially created Contingent Claim Reserve escrow account held at J.P. Morgan Chase ("CCR Account") for the fees and costs it incurred in administering such claims ("Travelers Expense Claim");

S. As of July 31, 2007, the balance in the CCR Account was \$398,154.24, which balance continues to accrue interest;

T. Consumers are entitled in certain circumstances to cancel their VSCs and to be returned a portion of their contract price by Travelers (the "Travelers Cancellation Charge"), from the Travelers-Related Reserve Account or through the Drop Down Coverage or the Excess Coverage (the "Reserve Cancellation Charge"), from the CCR Account (the "CCR Cancellation Charge"), by API (the "API Cancellation Charge"), by API's affiliate, Brokerage Professionals,

Inc. (the "BPI Cancellation Charge"), by the relevant Agent (the "Agent Cancellation Charge"), and by the relevant Dealer (the "Dealer Cancellation Charge");

U. When API ceased servicing claims under the VSCs, triggering Travelers' Drop Down coverage, Travelers retained Services Resources, Inc. ("SRI") to handle the claims processing, and as a result has had to pay, from its own funds, SRI's fees, as well as incur other significant internal and external costs in connection with the administration of claims, and enforcement of its rights under its agreements with API. Travelers subsequently began to internally process the claims resulting in it incurring substantial additional costs;

V. Pursuant to the Policies, Endorsement and CCR Contracts, Travelers believes it is entitled to be reimbursed, from the Travelers-Related Reserve Accounts and CCR Account, for the Travelers In-Reserve Claims and the Travelers Expense Claims it has incurred as a result of API's inability to meet its obligations;

W. Travelers is subrogated to the Dealers' right to recover from amounts held in the Travelers-Related Reserve Accounts, and likewise is subrogated to priority claims of the consumers who purchased VSCs from API or the Dealers backed by the Policies (the "Travelers-Backed Consumers"), when it pays Travelers In-Reserve Claims that should have been paid by the Dealers or API from the Travelers-Related Reserve Accounts;

X. In a letter to Travelers, dated January 31, 2007, API alleged that Travelers owed it \$654,547 for repair claims and cancellation charges paid by API from 1997 to 2006 that should have been paid by Travelers under the Excess Coverage (the "Alleged Back-Charges"). Travelers has disputed that such amount is owed by it to API and further argues that API and the bankruptcy estate is time-barred from asserting such claims against Travelers under the notice provision of the Policies; and

Y. The Trustee and representatives of Travelers have agreed that the Trustee will sell the Policies and Travelers will buy back the Policies free and clear of any and all claims and interests (the "Policy Buyback"), on the terms set forth in this Agreement. They have also agreed to settle and resolve the issues by and between them relating to Travelers' claims against API, the Alleged Back-Charges, Travelers' obligations under the Policies, and Travelers' rights to monies held in the Travelers-Related Reserve Accounts and CCR Account.

AGREEMENT

In consideration of the mutual covenants and promises contained in this Agreement, the sufficiency of which the Trustee and Travelers hereby acknowledge, the parties hereby agree as follows:

1. Sale and Buyback of Interest in the Policies. This Agreement effects a sale and buyback of the Policies to Buyer, effective when the Approval Order (as defined below) becomes final and non-appealable. Trustee, on behalf of API and its bankruptcy estate, hereby sells to Buyer all interests in the Policies held by the bankruptcy estate of API, the Dealers, the Travelers-Backed Consumers and all other parties in interest in the Bankruptcy Case, and Buyer hereby buys back all of such interests in the Policies from the Trustee, pursuant to sections 363(b), 363(f) and 363(h) of the United States Bankruptcy Code, 11 U.S.C. §§ 101 *et seq.* (the "Bankruptcy Code"), free and clear of all liens, claims, encumbrances, and other interests.

2. Consideration for Sale. As consideration for the Policy Buyback, Buyer will: (a) release its interests in the Travelers-Related Reserve Accounts, except as provided for in paragraph 3 of this Agreement, and release its interests in the CCR Account; (b) pay \$654,547 to the bankruptcy estate of API within ten days after the Approval Order becomes final and nonappealable; (c) pay, under the terms of the relevant VSC, all valid covered repair claims that

have been asserted by the Travelers-Backed Consumers that remain unpaid, or that will be asserted in the future; (d) pay the Travelers Cancellation Charges, Reserve Cancellation Charges, CCR Cancellation Charges and the API Cancellation Charges, with respect to any valid cancellation of a VSC made by any Travelers-Backed Consumer, provided, however, Travelers shall not be responsible for payment of the relevant BPI Cancellation Charges, Agent Cancellation Charges or Dealer Cancellation Charges and nothing herein shall be deemed to be an assumption by Travelers of any responsibility to pay the BPI Cancellation Charges, Agent Cancellation Charges or Dealer Cancellation Charges; and (e) release all of its claims against the bankruptcy estate, including its reimbursement claims against the bankruptcy estate and the Debtor for the repair and cancellation claims it has already paid or will pay in the future. Travelers agrees to treat as timely any claim by any Travelers-Backed Consumer (i) brought to the attention of the relevant Dealer prior to the expiration of the term of the relevant VSC even though Travelers, API or SRI may not have received notice of such claim prior to such expiration of the term of the VSC, or (ii) for which the Travelers-Backed Consumer can show, with reasonable certainty, that he or she otherwise attempted to provide notice of the claim prior to the expiration of the term of the relevant VSC.

3. Release of Escrow Funds. Within ten days after the Approval Order becomes final and non-appealable, the Trustee shall pay Travelers \$4,850,000 (the "Escrow Release") in full satisfaction of Travelers' In-Reserve Claims and Travelers' Expense Claim against the bankruptcy estate of API. The Escrow Release shall be paid pro-rata from each Travelers-Related Reserve Account for each individual Dealer. Upon receipt of the Escrow Release, Travelers shall be deemed to have released any interest or claim it has in the Travelers-Related Reserve Accounts. Upon receipt of an executed release from a Dealer releasing all of the

Travelers Parties (as hereinafter defined), the Trustee and the bankruptcy estate of API from all claims of any kind relating in any way to the relevant Travelers-Related Reserve Account, any VSCs sold to any Travelers-Backed Consumer and any GPRs sold in connection therewith, the Trustee shall remit the remaining balance in the relevant Travelers-Related Reserve Account to such Dealer. This release shall be in a form satisfactory to the Trustee in her sole discretion.

4. Good Faith Purchase; Fair and Reasonable Settlement; Reasonably Equivalent Value; Compliance with Law. The Parties acknowledge and agree that: (i) Buyer is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code of all interests in the Policies held by the Trustee, the bankruptcy estate of API, all Dealers and all Travelers-Backed Consumers and all other parties in interest in the Bankruptcy Case; (ii) the consideration exchanged by the Parties pursuant to this Agreement constitutes a fair and reasonable settlement of the Parties' disputes and of their respective rights and obligations relating to the Policies and constitutes reasonably equivalent value; (iii) the releases contained in this Agreement comply with the Bankruptcy Code; and (iv) this Agreement in no way voids, annuls or attempts to void or annul the Policies, which, with respect to Seller, the Dealers and the Travelers-Backed Consumers, have been fully performed.

5. Approval Order. This Agreement is not effective until signed by all parties hereto and until an order, in form and substance reasonably satisfactory to the Trustee and Travelers, is entered by the Bankruptcy Court in the Bankruptcy Case approving this Agreement, and becomes final and non-appealable (the "Approval Order"). The Approval Order shall bind all creditors of API and any parties in interest, and each of their successors and assigns, to the terms of this Agreement. The Trustee shall file a motion seeking the entry of the Approval Order within ten business days after execution of this Agreement by the Parties, and shall provide

notice of the motion to (1) all parties who have requested to receive notice in the Bankruptcy Case; (2) all consumers who bought GPRs when they separately purchased VSCs backed by the Policies, which have asserted claims for GPRs which to the knowledge of the Trustee remain unpaid, or for which GPRs were still in force as of June 30, 2006; (3) all Dealers; and (4) by publication in *The Wall Street Journal*, National Edition. Travelers shall pay the cost of the foregoing notice. The Trustee shall use her reasonable best efforts to obtain the entry of the Approval Order. Such reasonable best efforts shall include without limitation: (a) supporting entry of the Approval Order during all discussions with Dealers, the Travelers-Backed Consumers, other creditors, and their attorneys; (b) in the Trustee's discretion, filing a written response, in the event any objections to the motion seeking entry of the Approval Order are filed with the Bankruptcy Court; and (c) taking all reasonable steps to defend against any appeal, petition, motion or other challenge to the Bankruptcy Court's entry of the Approval Order. The Approval Order must include factual findings and conclusions of law substantially as follows:

(i) The sale, assignment and transfer of the Policies to the Buyer is in good faith and satisfies the requirements of section 363(m) of the Bankruptcy Code, in that the sale was the result of an arms-length transaction for value;

(ii) The Policies are being sold, assigned, or transferred to the Buyer free and clear of the interests of the Dealers and the Travelers-Backed Consumers, if any, pursuant to the provisions of section 363(f) of the Bankruptcy Code, because (i) such interests are in *bona fide* dispute; (ii) the holders of such interest could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest; and (iii) any party in interest who purports to have an interest in the Policies, but fails to object to the Policy Buyback, is deemed to have consented to the sale;

(iii) Trustee may sell the interests of the estate, the Dealers and the Travelers-Backed Consumers and all other parties in interest in the Policies under section 363(h) because (a) partition of the Policies is impracticable; (b) sale of the estate's undivided interest in the Policies would realize significantly less for the estate than would the sale of the Policies free of the interest of the Dealers, Travelers-Backed Consumers, and all parties in interest who claim an interest in the Policies; (c) the benefit to the estate of a sale of the Policies free of the interests of the Dealers, Travelers-Backed Consumers, and all parties in interest

who claim an interest in the Policies, outweighs the detriment, if any, to them;

(iv) The sale of the Policies free and clear of any right, title or interest, including any right of direct action against the Buyer, is permitted under sections 363(f) and (h) of the Bankruptcy Code;

(v) The Agreement is fair and equitable, in the best interests of the estate and its creditors after consideration of (i) the probability of success in any coverage litigation involving the Policies, with due consideration for the uncertainty in fact and law; (ii) the complexity and likely duration of any such coverage litigation and any attendant expense, inconvenience and delay; (iii) the paramount interest of creditors; and (iv) the extent to which the Agreement is the product of arms-length bargaining and not the product of fraud or collusion; and

(vi) As to all Dealers, Travelers-Backed Consumers and all parties in interest, notice of the sale free and clear of interests was sufficient, and the requirements of Fed. R. Bankr. P. 6004(c) were satisfied.

6. Injunction. The Approval Order shall contain an injunction, pursuant to section 105 in conjunction with sections 363 and 542 of the Bankruptcy Code, enjoining all Dealers, the Travelers-Backed Consumers and all parties in interest from asserting any claims against the Travelers Parties (as hereinafter defined) with respect to the Policies or the Travelers-Related Reserve Accounts and enjoining any party in interest from asserting any GPR claims arising under any GRP option sold by API (the "GRP Claims") against the Travelers Parties. In furtherance of the free and clear sale and buyback of all interests in the Policies under section 363 of the Bankruptcy Code, the Parties agree that Seller will use its best efforts in the Bankruptcy Case to include, in any plan and any order confirming such plan, a supplemental injunction that protects the Travelers Parties against the assertion of claims that in any way relate to the Policies and against the assertion of any GPR Claims against the Travelers Parties. Such efforts shall include, without limitation, urging the Bankruptcy Court to overrule any objections to such an injunction and/or to a plan that contains such an injunction, and defending against any motion, objection, or other challenge to the Bankruptcy Court's entry of an order approving such an injunction and/or confirming a plan that contains such an injunction. Seller will use its best efforts to oppose entry of any stay pending appeal relating to the issue of the injunction described

in this paragraph, and to vacate such stay if entered.

7. Release by Trustee and Estate. Except as provided for herein, the Trustee, on behalf of the API's bankruptcy estate and its creditors, hereby releases and forever discharges Travelers and its parents, and all of its affiliates, subsidiaries and their present and former officers, directors, partners, employees, agents, attorneys, shareholders and their successors, assigns, and other representatives, only in their capacity as such (the "Travelers Parties") from liability for any and all claims, controversies, actions, causes of action, liabilities, demands, debts, damages, costs, attorneys' fees, monies due on account, obligations, judgments and liabilities of any kind and nature whatsoever at law or in equity, past or present, in contract, in tort or otherwise, whether or not now or heretofore known, suspected, or claimed against the Travelers Parties, arising from or relating to the Policies, to the GPRs, or to any of Travelers' agreements with API or its affiliates or the Dealers, including any and all claims under any of the avoidance provisions of the Bankruptcy Code, provided, however, that the Travelers Parties do not include API or any of its affiliates.

8. Release by Travelers. Except as provided for herein, the Travelers Parties hereby release and forever discharge the Trustee and all of her present and former agents, employees and attorneys and their successors and assigns and other representatives, and the bankruptcy estate of API from liability for any and all claims, controversies, actions, causes of action, liabilities, demands, debts, damages, costs, attorneys' fees, monies due on account, obligations, judgments and liabilities of any kind and nature whatsoever at law or in equity, past or present, in contract, in tort or otherwise, whether or not now or heretofore known, suspected, or claimed against the Trustee or the bankruptcy estate of API, however arising.

9. Trustee's Duty to Cooperate. Notwithstanding the terms of this Agreement,

including the releases exchanged in paragraphs 7 and 8 of this Agreement: (a) the Trustee and her representatives, successors, and assigns, will use commercially reasonable efforts to cooperate with Travelers' performance of its obligations under paragraph 4 of the Agreement, provided that the Trustee and the bankruptcy estate of API shall not be contractually obligated to Travelers to incur any material costs in connection therewith; and (b) Travelers' obligation to provide reports and other information to API will terminate, and Travelers shall not be obligated to provide any reports to the Trustee, Dealers and Agents. The Trustee agrees to provide at least ten business days written notice (sent by e-mail) to Travelers through Travelers' undersigned counsel, of any destruction or other disposition of the books and records of API together with a reasonably specific description of those books and records. Prior to the date of the planned disposition, Travelers may advise the Trustee that it seeks possession of all or some of the books and records and will promptly take possession of them or assume the expenses of the storage at their location.

10. Indemnification. Travelers agrees to hold harmless and indemnify the Trustee and API's bankruptcy estate from and against any and all claims, demands, fines, penalties, damages, obligations, and costs of any nature whatsoever, including the Trustee's attorneys' fees and costs incurred in connection therewith, asserted against the Trustee or API's bankruptcy estate by any Travelers-Backed Consumer for any valid repair claims under the VSCs, or for any valid claims for Travelers Cancellation Charges, Reserve Cancellation Charges, CCR Cancellation Charges or API Cancellation Charges.

11. Additional Documents. Each party agrees to execute and deliver such additional documents and instruments and take such actions as are reasonably necessary to effect the intent and purposes of this Agreement.

12. Applicable Law. This Agreement shall be interpreted and governed by the laws of the State of Connecticut without regard to principles of conflicts of law. In the event that this paragraph is deemed unenforceable in any judicial, arbitration or governmental proceeding, the remaining provisions of this Agreement shall remain in full force and effect.

13. No Admission. Neither this Agreement nor any statement made, action or position taken, or document prepared in connection with the negotiation, execution, or implementation of this Agreement, is, or will be deemed to be or construed as, an admission by any party to this Agreement of any liability, act, or matter or that any claim or defense has or lacks merit.

14. Third Parties. This Agreement shall not be deemed to give any right or remedy to any third party whatsoever unless said right or remedy is specifically and explicitly granted to such third party by the terms hereof.

15. Notices. Any notices or consents required or permitted by this Agreement shall be in writing and shall be deemed delivered if delivered in person or if sent by facsimile or certified mail, postage prepaid, return receipt requested, as follows, unless such address is changed by written notice hereunder:

Upon the entry of the Approval Order, each party hereto shall have the right at any time to enforce the provisions of this Agreement in strict accordance with the terms hereof, notwithstanding any conduct or custom on the part of such party in refraining from so doing at any time or times. The failure of any party at any time or times to enforce its rights under such provisions shall not be construed as having created a custom in any way or manner contrary to specific provisions of this Agreement or as having in any way or manner modified or waived the same.

19. Validity of Agreement. In the event that any substantive provision of this Agreement is found by a court of competent jurisdiction to be invalid or unenforceable, the Parties may jointly elect to: (i) rescind the Agreement, voiding it *ab initio*, with each Party returned to its original rights and positions as if the Agreement had never existed; (ii) enforce and be bound by the remainder of the Agreement; or (iii) modify the Agreement by such substituted provisions as the Parties may reasonably agree.

22. Counterparts. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought. A facsimile signature shall be treated as an original signature.

23. Jurisdiction. The Bankruptcy Court shall retain jurisdiction to interpret and enforce the provisions of this Agreement and the Approval Order in all respects and further to hear and determine any and all disputes between the Seller, and Buyer, and any other person; provided, however, that in the event the Bankruptcy Court abstains from exercising or declines to exercise such jurisdiction or is held to be without jurisdiction with respect to the Agreement or the Approval Order, such abstention, refusal, or lack of jurisdiction shall have no effect upon, and shall not control, prohibit, or limit the exercise of jurisdiction of any other court having competent jurisdiction with respect to any such matter. In the event the Bankruptcy Case has been closed, there shall be a right to have this case reopened upon *ex parte* motion or application for such purposes as provided in this paragraph.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of the day and date first written above.
